

Airex DC™

Material Safety Data Sheet

Latest revision date: 11/01/08
Print Date 11/01/08
EMERGENCY PHONE NUMBER: 1-888-383-7293

PRODUCT IDENTIFICATION

Product name or number: Airex DC™
Manufacturer's Name: Terawet Ventures, Inc.
Address: 2920 Clairemont Drive,,San Diego, CA 92117

Trade name: Airex DC™
Chemical name: Linear co-polymer with Humecants and Ammonium sulfat
Synonyms: None
Formula: Proprietary

HMS HAZARD RATING

This material is NOT HAZARDOUS as defined by ISHA 1910, 1200
Health hazard (0-4) 0
Fire hazard (0-4) 0
Reactivity (0-4) 0
Personal protection See Section

HAZARDOUS INGREDIENTS DATA

As defined by OSHA Section 1910, 1200 this material is NON HAZARDOUS
PEL N/A
Section 313 None
Reportable quantity N/A

PHYSICAL DATA

Bulk Density/Specific Gravity 11.2 lb./gallon
Solubility in water Infinite
Evaporation rate (BuAc=1) Slower than water
Appearance Clear to amber
Odor Non to mild citrus odor

FIRE AND EXPLOSION HAZARD

Flash Point	N/A
Flammability limits in air (%V)	None
Extinguishing Media	ALL

ENVIRONMENTAL DATA

Toxicity data	0% N/A
Spill or leak procedures	Reclaim for reuse or disposal
Hazardous waste at 40 CFR 372	N/A
Waste disposal method	Follow federal, state and local regulations

PERSONAL PROTECTION INFORMATION

Respiratory Protection	NIOSH/MSHA -approved respirator recommended, not required
Ventilation	Normal room ventilation
Protective Clothing	PVC or rubber gloves, long sleeve shirt
Eye Protection	Industrial safety goggles

PRECAUTIONS FOR SAFE HANDLING AND USE

Product Spill	This material will be slippery on hard surface s. Impound with absorbent materials or sand and collect. Dilute area with water at least 60 times the volume of the spill.
Other Precautions	This product is for drift control use only and not intended for other applications.

HEALTH HAZARD DATA

Skin Contact	Prolonged or repeated contact with skin m ay cause irritation to some individuals. Leaves a sticky and slick residue on skin.
Eye Contact	Direct contact of product with the eye can cause temporary irritation. DO NOT RUB EYES . IRRIGATE CONTINUOUSLY FOR 15 MINUTES. Seek medical attention if irritation persists.
Inhalation	Normally not a hazard. If inhalation causes irritation move to fresh air. Wear an approved respirator to avoid further irritation.
Ingestion	Ingestion of large quantities can cause diarrhea. Some stomach irritation may occur. Should pass through safely in digestion. DO NOT INDUCE VOM ITING. DRINK PLENTY OF WATER
Chronic effects of overexposure	Not generally harmful in any way.
Toxicological Test Data	Not harmful to any living animal or the environment in any way.
